Dead Skin

Author's Notes:
This was for today\'s Rockfic drabble challenge with the prompt of \"yesterday\".

Yesterday I ended it all.

No looking back, no hesitation. Just like that.

He pushed me too far, so far that he's gone forever.

Do I miss him? Every waking hour.

Do I want him? So much it hurts.

Do I need him? No.

Why, you ask?

Because I found someone else.

Someone that doesn't treat me like garbage, who bothers to answer his emails and cellphone.

I don't need you anymore. So long, see ya, adios.

I won't share your life now.

What I will be, is happy. For the first time in years, my eyes can see again.
